All bidders are requested to inspect the project site(s) and assess the works to be accomplished in order to ensure that their bids adequately cover the scope of the works without further demand on Government. The works involve constructions of 33kV or 11kV Inter Town Connections (I.T.C.) line, construction of substation and installation of Transformer, construction of Town Distribution Network (TDN), Testing, Certification with Nigerian Electricity Management Services Agency (NEMSA), connection to the national grid and commissioning.

All bidders are to submit three copies of bids in sealed envelopes with title of the project and lot number clearly marked at the top left-hand corner and addressed to the Jigawa State Rural Electricity Board, Dutse. All completed tenders are to be submitted on or before 12noon on Thursday 24<sup>th</sup> January, 2019.

Bids opening shall commence at 12noon on Thursday 24 January, 2019 at the conference hall of Rural Electricity Board (REB), 2<sup>nd</sup> floor Block B, New State Secretariat Complex, Dutse, Jigawa State.

Signed

Executive Secretary/ CEO

Jigawa State Rural Electricity Board.
